MEMORANDUM FOR: CHIEF, INSPECTION AND SECURITY STAFF

SUBJECT : CIA Participation in Foreign Service  
Institute Training

1. Through the Training Division (C) CIA is participating from 23 through 26 October 1951 in certain basic instruction at the Foreign Service Institute.

2. The students listed in the attachment are entered in the course. TR(C) has been assured that they have been cleared for security by the Department of State. However, it is requested that a name check be made.

3. It is regretted that the request for these name checks allows so little time before the course is presented. The request for our participation at this time was received only on 16 October and the roster was received from the Institute reached this office late in the afternoon of the 17th.
